antier Studio

About Us

Antier Studios, as a trusted game development company offers a full spectrum of services customized to enterprise goals and market demands. Each solution is designed with sustainable economies, scalable infrastructure, and player-centric experiences at its core. We offer end-to-end game development across various genres, spanning concept development, production and live operations.

HELIUM WARS

Helium Wars is set in a future where advanced civilizations move freely across galaxies and timelines in search of resources that define power and survival. At the center of this conflict lies a rare and immensely powerful energy source known as the Helium, found on a distant world inhabited by the Valerian people.

Genre : Action-Adventure, Shooter, Strategy

Platform : PC (Windows, macOS)

Tools Used : Adobe Photoshop, Unreal, Blender, ZBrush, Spine, Substance Painter

SAYA

Character Description

Saya is a fearless huntress, armed with a bone-carved bow decorated with feathers and trophies from past battles. Agile and cunning, she moves like a shadow, striking her prey with unmatched precision. Guided by instinct and sharpened by survival, Saya is a relentless predator whose arrows never miss their mark.

GUS

Character Description

Gus is a fearsome warrior clad in heavy, ornate armor with golden engravings and fur accents. His horned helmet and broad stature make him an intimidating presence on the battlefield. A master of strength and resilience, GUS relies on brute power and unshakable defense to crush his enemies and protect his allies.

Satyug

Satyug is an interactive Mini-Game App to connect a billion users to their roots, tradition, and culture, using the power of Religious Storytelling and Virtual Metaverse Darshans.

Genre : Simulation

Platform : PC (Windows, macOS)

Tools Used :

HANUMAN

Character Description

A realistic 3D interpretation of the mighty deity Hanuman. This character design emphasizes raw physical power and divine grace. He is equipped with his signature colossal golden Gada (mace) and adorned in intricate traditional gold ornamentation. The textures highlight human anatomy with beast-like strength, wrapped in sacred saffron attire.

RAM LALLA

Character Description

A realistic 3D interpretation of Lord Rama in his childhood form (Ram Lalla). The character design balances the innocence of youth with the regality of a future king. He is depicted in royal attire, wearing a golden crown, while holding his iconic bow—symbolizing the warrior destiny that awaits him. The texturing highlights soft, divine features contrasted against the intricate details of his weaponry.

PEDAL PAL

Pedal Pal is a fast-paced, story-driven adventure cycling game set in a colorful urban world. Ride through lively streets, dodge obstacles, collect coins, and use power-ups as a cheerful boy races against time to deliver a lost ticket. Simple swipe controls, vibrant visuals, and heart-warming

Genre : Action/Arcade

Platform : Mobile | PC

Tools Used : Adobe Photoshop, Unity, Substance Painter

TIMO

Character Description

Timo is a fun, energetic boy who loves speed, adventure, and friendly competition. With his big eyes and fluffy hair, he looks cheerful and always ready to move. He enjoys racing, exploring new paths, and helping friends when they fall behind. He represents fun, motion, and the joy of playing together.

Veil of the Abyss

Veil of the Abyss

A strategic card-based game set in the deep jungles of an ancient world, a dark force called the Shadow Veil is spreading across the land, corrupting creatures into shadow monsters. Players assume the role of the Survivor, tasked with uncovering the secrets behind the Shadow Veil and defeating its minions using powerful cards representing Forest spirits.

Genre : RPG Narrative, Card Builder

Platform : Mobile | PC

Tools Used : Adobe Photoshop, Adobe Illustrator, Unity

DEATHWEAVER

Character Description

Deathweaver is a dark necromancer who walks between the world of the living and the dead. Wielding a cursed staff and spectral energy, he controls lost souls and drains the life force of his enemies. Calm, mysterious, and feared by all, he appears only where death and chaos rise.

SERPATHIAN

Character Description

Serpathian is a serpent-elf warrior mage with a snake-like tail, flowing green hair, and piercing red eyes. Wielding a staff of glowing green magic, she commands ancient forces with grace and deadly precision—calm in presence, devastating in battle.

ZEPHYRA

Zephyra

It is a fantasy action-adventure game set in a once-peaceful world Zephyra powered by the Celestial Nexus. When a dark force shatters the Nexus, the planet breaks into six elemental islands—Fire, Water, Earth, Air, Light, and Darkness—each guarded by a powerful guardian. Players explore these fractured realms, uncover ancient secrets, and restore balance to Zephyra before darkness consumes the world.

Genre : Action/Arcade

Platform : Mobile | PC

Tools Used : Adobe Photoshop, Adobe Illustrator, Unity

SERAPHINA

Character Description

Seraphina is a mysterious keeper of ancient wisdom, bound to the Celestial Nexus and entrusted with secrets that transcend time and reality. A guiding beacon for seekers and guardians, her enigmatic presence shapes the destinies of worlds through timeless knowledge.

GRIMROOT

Character Description

Grimroot is an ancient guardian born from the heart of the forest and mountains. His body is carved from living wood and stone, and a glowing emerald crystal fuels his life force. Silent but powerful, he protects nature and awakens only when the land is threatened.

Jetstrike Arena

Jetstrike Arena is a fast 2D multiplayer shooter where jetpack-powered players fight in free-for-all matches. Use different guns, throw grenades, and move in air and on ground to get more kills. The player with the highest kills before time ends wins and earns coins.

Genre : Action/Arcade

Platform : Mobile | PC

Tools Used : Adobe Photoshop, Adobe Illustrator, Unity

RYNTRIX

Character Description

Ryntrix is a wild, thrill-seeking anarchist who lives for chaos and fast action. With his neon mohawk, spiked jacket, and high-tech blaster, he treats every battle like a game. Fearless and unpredictable, Ryntrix loves explosions, risky moves, and showing off his skills on the battlefield.

BROK

Character Description

Brok is a brutal runic warrior driven by pure strength and ancient power. Armed with a massive rune-engraved hammer glowing with blue energy, he smashes through enemies with overwhelming force. His heavy armor and glowing runes mark him as a frontline destroyer—fearless, relentless, and built for close combat.
